Payment Options

On this page, you will see what is due for this youth based on the selections made in previous pages.

You must choose whether you are paying the balance in full or if you are only paying the \$50 deposit at this time and will be paying the remainder of your balance at a later time and/or are receiving a scholarship/grant. All balances must be paid by May 26 or registration will be canceled.

Click the Add Plan button for the option you are selecting.

PLEASE NOTE: If you know you will be receiving other scholarships or funds are being covered in other ways, DO NOT pay any other amount beyond the \$50 deposit until that payment has been applied on the back end of your registration. MSU will **NOT** provide refunds for money that is being paid through scholarships.

For more information on fee schedule and refunds, please go to:

https://www.canr.msu.edu/4_h_exploration_days/registration_information

The screenshot shows a payment interface with two plan options. Each option has a blue button labeled '+ ADD PLAN' above a box containing 'Due today' and a dollar amount. The first option is for \$220 and the second is for \$50. Below these options, a white box displays the total amount of \$170.

Be patient on the processing page. It may take a few minutes for the payment to process.

When the page says “Thank you for your payment,” you must hit the Submit button on the bottom right of the page. You want to make sure that your progress for registration ends at 100% completion (noted in the My Progress bar at the top of the screen.)

You will then see a pop-up box that asks if you would like to add another attendee. Please register all youth first before registering adults. You can either click “No, I am done” on the left, or “Yes! Add another attendee” on the right.

If you are done registering for your family, click “No, I am done”. The dashboard will show up and you can review the balances and orders (participants registered). This means you have completed your registration.

After registration is complete, you should receive an e-mail confirmation that your participants are registered and what sessions they are signed up for.
