

Workshop Agenda

Workshop 2: Advanced and technical themes related to forest carbon science, policy, and management

July 23-24, 2024

State College, PA

TIME	ACTIVITY
June 10	
All day	Arrive in State College, PA
June 11	
8:30-9:00 AM	Arrive at 217 Forest Resources Building
Session 1 and discussion	
9:00-10:15 AM	Topic: Integrating ancillary data into forest carbon assessments to estimate forest attributes from parcel to landscape scales Speaker: Dr. Colin Beier, SUNY ESF
10:15-10:30 AM	Break and refreshments
Breakout session 1	
10:30 -12:15 PM	Topic: Considering co-benefits and trade-offs in forest carbon management Facilitators: Patricia Leopold, USDA Forest Services
12:15-1:15 PM	Lunch

Forest Carbon and Climate Program

MICHIGAN STATE UNIVERSITY

Session 2 and discussion

1:15 - 2:30 PM Topic: Engaging and Supporting Family Forest Owners in Climate-Smart Forestry

Speaker: Dr. Melissa Kreye, Penn State

2:30-2:45 PM Break and refreshments

Session 3 and discussion

2:45 - 4:00 PM Topic: The Risk Mitigation Multitool - Because you can't solve every problem with a hammer

Speaker: Lauren Siclare, New Jersey Forest Service

4:00 - 4:15 PM Break

4:15 - 5:00 PM Recap and discussion (if needed)

Evening Dinner on your own

June 12

8:30-9:00 AM Arrive at 217 Forest Resources Building

Breakout session 2

9:00-10:15 AM Topic: Communicating carbon stewardship and forest adaptation for internal and external audiences: peer-to-peer learning across state boundaries

Facilitator: Chad Papa, Michigan State; Dr. Allyson Muth, Penn State

10:15-10:30 AM Break and refreshments

Session 4 and recap discussion

10:30-11:45 AM Topic: Economic trade-offs of multi-use management, wood utilization, and forest carbon to support decision-making

Speaker: Dr. Raju Pokharel, Michigan State

11:45-12:30 AM Lunch

Afternoon Depart State College, PA
