Total Cost of Project (purchase price of animal + feed cost + other costs): \$ _____

You can insert your actual fair book page in place of this page.

This Year's project goals: (explain the goals that you have for yourself and your project animal):

What were two things you learned from completing this project this year:

- 1. _____

- 2. _____

Please list three potential buyers you plan to approach this year:

- 1. _____
- 2. _____
- 3. _____

Beginning Project Photo:

You can insert your actual fair book page in place of this page.

Growth Chart

*Mark the starting weight and final weight with **red** dots on the chart. Connect the two dots with a straight **red** line.

*Record your animal's weight every month (actual or estimated) and connect these points with a blue or black line.

Goat Weight Records

Date of Starting Weight	Starting Weight	Date of Finish Weight	Finished Weight	Pounds of Gain	Days on Feed	Average Daily Gain

Average Daily Gain = Total pounds of gain ÷ days on feed

Ending Goat Picture:

Monthly Feed Record Worksheet (Add additional pages if needed)

Feed Types* ⇒	lbs.		cost		lbs.		cost		Monthly lbs.	Total Cost
SEPT									\$	
OCT									\$	
NOV									\$	
DEC									\$	
JAN									\$	
FEB									\$	
MARCH									\$	
APRIL									\$	
MAY									\$	
JUNE									\$	
JULY									\$	
AUG									\$	
TOTALS									\$	\$

NOTE: RECORD FEED AS IT IS FED TO YOUR ANIMAL

- *Type of feed should be expressed in pounds and include grains, supplements, mixes, hay, silage, etc. reflected on this chart.

Additional Project Book

REQUIREMENTS

Cadets (5-7): same as 4-H Cloverbuds (non-competitive)

Juniors (8-11): Pick one item from list below and complete.

Intermediates (12-14): Pick one item from the list below and complete.

Seniors (15-19): Pick two items from the list below and complete.

*Create a pedigree or lineage chart for your project animal.

*Create a chore chart of daily, weekly, and monthly chores necessary to properly care for your animal.

*Create a crossword puzzle with terms/definitions that related to your goat project.

*Create a picture and label the parts of your or a goat. (Not something already completed online).

*Make a retail meat cut diagram and include where the cuts come from on the goat. What is the most sought after goat product right now on the market?

*Goat meat and milk products are the most consumed in the world. Why is goat milk and meat less popular in the United States? Is goat meat and milk gaining popularity in the US? Why or why not?

* Research and provide a summary of by products that could come from your goat project.

* Research and write an essay on a common disease the goat industry is facing today including prevention, treatment, symptoms, diagnosis, best practices, etc.

*Write an essay about at least 5 different breeds or cross breeds leading the goat industry in the US today. Include heritage, physical characteristics, nick names, merits, etc. This can included dairy breeds.

* Tell us about your ideal market goat. Be descriptive and include what physical traits your ideal market goat has that your current goat does not.

*Another project of your own creation that illustrates your knowledge of your project. Check

with your 4-H
ordinator if you

leader or 4-H Co-
need assistance.
