# 4-H Family News

September/October 2018

## Dear 4-H Family and Friends,

What is the benefit of 4-H? As we begin the program year, I like to reflect back on how much I have gained from being part of the 4-H program. As volunteers, members, parents, and peers, we all have the pleasure of gaining something very special from this organization. The main focus we talk about throughout the year is life skills: teamwork, responsibility, civic engagement, leadership, etc. I look back and see the growth measured in these life skills each year, which produce some well-rounded and terrific kids, leaders, and staff!

Additionally, I see passion and desire. I see love for a project so deeply ingrained, making you eager to be the best you can be. I see summertime friendships developing into everlasting confidants. I see people connecting their own skills and knowledge to help others. I see kids excited to share their experiences with their peers. I see kids having new, sometimes once in a lifetime, experiences. Most of all, I see communities being built from within existing communities.

So, what is the benefit of 4-H and how do you sum it up in just a few words? As simply as it can be put, 4-H is family and I am so grateful to belong to this family.

Sincerely,

Hailey Harman  
4-H Program Coordinator of Cass County

### 2018-2019 Enrollment Fees/4-H Online

Our new 4-H year begins on September 1, 2018. All 4-H members and leaders are strongly encouraged to enroll online. If you have forgotten your 4-H online login information, please do not make a new profile. Instead, please contact our office and we can reset your password for you. We do have paper forms available for those that do not have internet access.

**NEW THIS YEAR...**the deadline to enroll in 4-H Online and to **pay your enrollment fee** of \$20 per member (\$60 family, 4 + children) will be March 29, 2019 by 5:00 p.m. There will be no exceptions to this deadline. If your child is not registered and paid for, they will not be eligible to participate in 4-H for the current year (including fair). Please keep in mind that this deadline does not override your clubs deadline. Example: your key leader requires you to pay your enrollment fee and register online by January 1, 2019. You would follow that deadline. We encourage all payments be made with your key leader but you may make a payment in the MSU Extension office. For your convenience, we now can take credit/debit cards over the phone or you can mail your payment in.

### 2018 Outdoor Experience Day Camp

The Leaders' Association is hosting an Outdoor Experience Day Camp on Saturday, September 8, 2018 at T.K. Lawless Park from 9:00 a.m.– 4:00 p.m. Registration and payment will be on the day of event and will begin at 9:00 a.m. Camp will begin at 10:00 a.m. This event is for any youth ages 5-13 and the cost is \$5 per person or \$10 per family. This year's activities include string art, wood burning, tin punch, terrariums and bead craft. Any projects made at this camp may be used for the 2019 Cass County Fair and will be awarded a special ribbon signifying your participation at Outdoor Experience. The Leaders' Association is looking for teen volunteers (ages 14-19) to help with this event. If you are interested in helping or would like more information, please contact Hailey Harman, 4-H Program Coordinator.

### Future Clovers

Reminder: For the rest of 2018 year, the Clover will be emailed/mailed every other month. Beginning, January 1, 2019 we will no longer be able to mail the Clover. It will be emailed only! Please make sure we have an email address on file. We will have a limited supply of paper copies available in the MSU Extension office. Thank you for your understanding.

### 2018 Farm Safety Camp

Farm Safety Camp was a huge success with an attendance of 40 youth who participated. Sessions included Grain Bin Safety, Pesticide Safety, Fire Safety, Propane Safety, Lawnmower Safety, Emergency Services, Tractor Safety, Electrical Safety, ATV Safety and Animal Safety. All youth reported to have learned something new and that they learned how to prevent and handle dangerous farm situations. We would like to extend a huge thank you to Midwest Energy and Communications for housing and supporting this amazing program in Cass County. We are confident every youth that attended this camp went home knowing how to keep themselves safe at a farm, whether it's their own or a relative's, or a future agriculture job. These youth will take this knowledge they gained and share it with others. We also would like to thank all of our session hosts that took the time out of their day to educate our local youth. You all played a major role in the camp and we, as well as the youth, are very thankful for your contribution. Our motto is "to make the best better" and with that said, Cass County 4-H is looking forward to continuing our partnership with MEC to reach even more kids on safely working on farms to lower the cases of farm related accidents within the Southwest Michigan area.

Thank you Josh High, Pokagon Fire Department, Deputy Pompey, Bruce MacKellar, Jon LaPorte, Cory Dolan, Marty Smego, Rob from Life Care, and Rich Drews-MEC for volunteering your time to help educate our youth on Farm Safety.

### Paper Clover Campaign 2018

The paper clover campaign will begin October 3 and run through October 14, 2018. Stop by the TSC in Dowagiac to donate! Your donations come back to the Cass County 4-H Program to help with programming, costs, and scholarships to name a few! Thank you for your support!

### National 4-H Week
