	4a. TSM 331 & CSS 846 Still tabled
	5. New Business
Approved	5a. IAT Ag Operations – change program *simply adding a new Community College partner #15b rationale: correct typos
Approved	5b. IAT Food Processing, Tech, & Safety – new program #15a and 15h: correct some typos throughout. #15i: list cooperating colleges by roll-out year. Requ. 2 in the Course list for the degree program: “Select two of the following courses” will allow the program to add courses to the list.
	<i>Generic comments made about the FSC courses below, for consideration:</i> ** <u>Course / SIS titles & numbering</u> : discussion of how to differentiate courses numbers and titles as part of the Ag Tech program, not open to 4-year students in Food Science. Some suggestions were made about renumbering all courses to the 100-level, and / or developing consistent course titles that stand apart from the 4-year courses. Consistency in course titles included SIS titles as well. There was a consensus to leave courses as they are for now; Dr. Millenbah will consult with Joy Speas. #19: provide more detail to differentiate the 100/200 level courses from 300/400 level courses in the same unit #23: Eventually restrict to students in the IAT Food Processing program
Approved	5c. FSC 111 – new course
