Action	Agenda Item
Approved	2. Approval of agenda for 18 Feb 2021
Approved	3. Approval of minutes from 21 January, 2021
	4. Old Business Forestry MS hybrid online program; New courses FOR 810, 812, 814, 816, 818
	5. New Business
Approved  <i>Committee would like to see updated form via email</i>	<p>5a. HNF 834 - new course</p> <p>#4 flip 'Title' and 'SIS title' (which should be shorter). Or make them the same. Correct the title to 'Advanced Pediatric Nutrition'.</p> <p>#5 provide a concise catalog description. It should be short (1-2 phrases)</p> <p>#13 MSDI is referred in to in the degree program doc as 'MSU-DI hybrid MS program'. Spell out the name of the program</p> <p>#19 remove 'to my knowledge'.</p> <p>#20 remove 'to my knowledge'.</p> <p><u>Discussion about 22-24 - review closely, your choice</u></p> <p>#22 Keep the prerequ list, OR a committee member suggested removing prerequs and replacing with a restriction under #25 (limiting enrollment to students in the degree programs)</p> <p>#24 not necessary to state this (already a requirement to get into the MS program). You could add the courses from #22 here as rec background</p> <p>* note, Syllabus prerequisites do not match what is listed in the course form.</p>
Approved	<p>5b. Nutrition and Dietetics MS - Program change</p> <p>#15. Committee suggested associating HNF 898 with the third requirement (the final project). This could be done by pulling HNF 898 out from #1, and moving it into #3 (be sure to adjust the credits in #1). OR keep HNF 898 in the list in #1 and then refer to it again in #3</p> <p>#19 Say 'No'</p> <p>#20 Too long. Suggestion: Replace current research project with an expanded clinical case study review; case studies more closely align with the employment of the majority of program graduates in clinical dietetics.</p>

Information	6. UCC Update ** Sub B items (SPDC cert) passed
Information	7. Associate Dean's Comments ** 'Hot chatter' about in-person commencement

Meeting adjourned at 8:50 am
