Approved	5e. HNF 844 - new course #4 Shorten title. Make closer to the transcript course title. #5 suggest streamlining to "Dietetics career skills including....collaboration...." Remove 'this is an online course'. #19 & #20 remove "to my knowledge". Also, there likely are similar courses in other depts. Not this but focus on dietetics.
Approved	5f. Agronomy Minor - Program Change * changed from a pick & choose menu to a broader course list #6 simplify CANR majors #15 update the number of credits - "complete a minimum of 16 credits"

	#15 course list. Rewrite the structure CSS 326 weed course (# credits) and CSS 226L Lab (# credits)
Approved	5g. Sustainable Ag and Food Systems Specialization #15f 'see attached form'. Nothing can be attached, copy and paste form in to document #15 course list. The phrase "courses totaling at least 3 credits from below" is awkward and not necessary. Each class appears to be 3 credits. #17 Fix statement
Approved	5h. Turfgrass Management Minor - Program Change #15 in course list, as written the min number of credits is 5. Could read - 'A minimum of 7 additional credits, taking at least one course from each of the following three areas' #15 CSS 126 is 326 may want to add the 'link' statement between the class and lab. If so , then the statement above is correct. Check w/ turf faculty.
