

Tuscola County 4-H Dairy Recordsheet

Grade 10

Name: _____ 4-H Club: _____

Answers to these questions can be found in the “Dairy Resource Handbook” 4-H 127R

Use Chapter 6 to answer the following questions:

1. Explain one of the identified processes of dehorning a dairy calf.

2. What are three dairy calf diseases identified in the resource manual?

a. _____ b. _____ c. _____

3. Explain the difference between Internal and External Parasites, give an example of each, and explain the treatment procedure.

Use Chapter 14 “Careers in Animal Science” to help you with the following questions.

4. Identify some animal science careers that are directly related to skills learned in the dairy project.

5. 4-H livestock projects teach about animal science. Identify some skills or knowledge you have gained in the 4-H dairy project that could relate to a career in the field of animal science.

6. Based upon reading and personal experience, what are some ways Agribusiness plays a role in the 4-H program? _____

Use Chapter 13 to answer the following questions:

7. Could you be a “winner” showing an animal without getting a champion ribbon? Explain.

8. What are some methods that Tuscola County could implement to start recognizing exhibitors for skills gained through livestock projects/shows? This would be in addition to awards and recognition received in the show ring. _____

Answer the following general questions:

9. There are often public misconceptions surrounding how animals are cared for and handled. Based on the information presented in the dairy handbook, what should you do as a 4-H member if you are confronted by someone from the public with some of these misconceptions?

10. As a youth ambassador for the dairy industry, how can you advocate for dairy farmers and help to educate public. _____

Completed (40 possible)	_____
Accuracy of answers (30 possible)	_____
Appropriate grammar (15 possible)	_____
