Feeder Alternate RFID# _____

Sex _____

Breed _____

Homegrown: Yes/ No _____

All large livestock animals, excluding swine with their pre-made appointments, need to be in their marked stalls by 2 pm on Sunday afternoon.

You may start stalling your livestock starting at 9 am Sunday. Weigh in will take place after all animals are stalled with times to be determined by superintendent and posted by July 1st.

Please follow the marked unloading path and note you will **only be able to unload livestock at this time**. After your livestock is unloaded, please pull your truck and trailer away from the barns, and off the midway. You are encouraged to set up your stall Saturday night before bringing livestock in.

This completed form, a picture of the RFID tag in the Feeder's ear and a full picture of your feeder is due by the tagging deadline which is Friday, May 17, 2024.
