

Personal Goals Learning Experience- 2 points

What is one goal you have for yourself over the next year? How will you achieve this goal? Will it take stages? Who will help you make progress?

Looking back at your goal, were you successful? Who helped or supported you? Did you succeed at first or did you have set backs? If your goal didn't go as planned, you learned to adjust and adapt. Explain-

HeadHeartHandsHealth

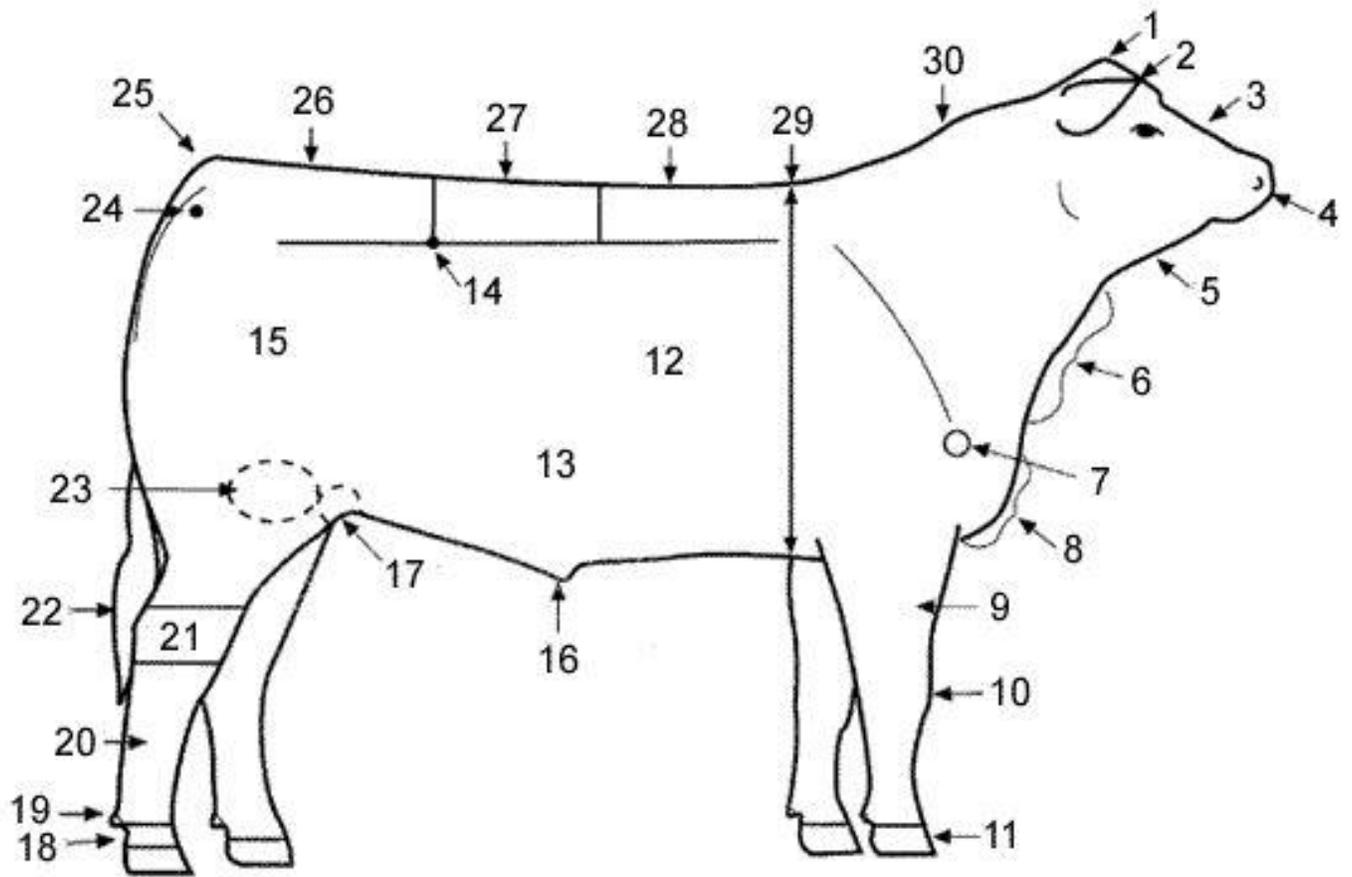

Answer the questions below to explain how you represented 4-H this year.

HEAD to clearer thinking- How did you share thoughts and ideas to promote leadership and kindness to make the world better for all?

HEART to greater loyalty- How did you care for others, not just one's self or pledge to have "heart" and be a giving person?

HANDS to larger service- How did you provide service to others whether individually or within your club?

HEALTH to better living- How did you give the best version of yourself? Pledging to one's self a self care plan to keep yourself physically and mentally healthy is important to be able to give back to others.
