Welcome to this year's Small Animal Sale. Thank you for choosing to support Hillsdale County Youth! You are greatly appreciated!

To minimize errors and provide you the fastest possible service, we request all buyers adhere to the following guidelines:

-Please register prior to the sale and obtain a buyer's identification number. Use this number to identify yourself when bidding on animals.

-Please, we ask that you do not leave the auction without checking out with the clerk. At this time, you have the opportunity to verify your purchases. You will also have to specify your choice of two options for your purchase:

1. You can pay the whole amount you bid plus support price, then you can pick up the **LIVE** animal on Saturday night, September 27, 2025, between 10-11 p.m. at the appropriate Small Animal Barn. You will need to have a copy of the bill of sale with you to show that you purchased the animal. No "give backs" are allowed. If you want the animal, you as the buyer must pick it up or make arrangements with the species superintendent.
2. You can pay (or be billed) the amount you bid only. The animal will then be shipped to market.

A Special "Thank You!" to our support buyers:

Lucas Dickerson – Chickens, Turkeys & Geese
Allen Riegsecker, Bluegrass Stockyards – Goats
Mark Schoenborn – Rabbits & Ducks
