Michigan State University

Application for Financial Supplement for Degree Completion

In an effort to ease the financial burden of printing the first copy of your thesis/ dissertation, HOGS has agreed to award a degree completion grant to HOGS members. Graduate students completing a master's or doctorate degree in the department of horticulture will be awarded \$80.00 or \$90.00, respectively. To be eligible for a degree completion grant, you must be a member of HOGS in good standing (\$10 annual membership dues paid).

This application applies to all horticulture graduate students who meet any 2 of the 3 following requirements *during any part* of their term as a graduate student:

- Participate in a fundraiser (annual grass sale or other). These duties may include, but are not limited to: ordering plant material, maintenance, advertisements, setup/clean up, selling plant material, etc.
- Attend, participate, and/or advertise monthly meetings and/or social events.
- Hold an appointed position in HOGS.

Name

Major Professor

Degree Sought

Thesis/Dissertation Title

Date of Defense

1. Briefly describe your involvement with and contribution to HOGS fundraisers.

2. Did you make an attempt to attend meetings and/or social events? Which events or meetings did you find most rewarding?

3. What HOGS offices or committees, if any, have you held or served on?

This is not a competitive award, but based on HOGS participation. Please be honest when describing your involvement.
