AMERICAN
EGG BOARD

2023 EGG DESIGN Submission Call

Presented by
America's Egg Farmers

For over 40 years, the First Lady of the United States is presented with a beautifully decorated Commemorative Easter Egg by America's egg farmers to celebrate Easter. To mark the 2022 Easter season, all 40 eggs presented to past First Ladies were displayed in a special exhibit.

During the 2023 Easter season, a new exhibit will feature decorated eggs from each U.S. state/territory designed by kids across the country. We are calling on parents with kids aged 5-18 to design an egg under the theme of "United States of Possibility" that represents their home U.S. state or territory. Here's how parents can help their child get involved:

Design and Entry Submission Process

1. Download the PDF included in the submission form, and use the template provided to have your child create his/her own egg design and corresponding design inspiration statement explaining your child's vision behind the idea. The design statement should be no longer than 50 words in length.
2. Your child should embrace his/her personal artistic style – be bold, fun, and unique. Your child can use any medium of choice (crayons, watercolors, paint, etc.) for the egg design. Art should be your child's original creation, and not feature assets from third parties (unless in the public domain). Anything not original or not in the public domain may not be included in any entries.
3. Fully complete the submission form, including your contact information and your child/artist's full name, so you can be contacted if your child's egg design is selected.
4. Upload your child's submission, including your child's egg design, to the submission portal at www.incredibleegg.org/unitedstatesofpossibility by 11:59:59 PM ET on Wednesday, November 30, 2022.
5. The American Egg Board selection committee will review all submissions and select one egg design per state/territory, which is expected to serve as inspiration for a unique exhibit during Easter 2023.
6. Parents of selected egg design submissions will be notified by March 10, 2023, and selected egg designs will be created by egg artists across the country for a special exhibit, as determined by sponsor and artist in their sole discretion.

United States of Possibility Theme - How to Get Started Your Child Started

Each U.S. state and territory is special. From the mountain ranges of Washington to farmlands of Iowa to beaches in Florida, our different locations combined make up a diverse and united country and give us a special sense of local and national pride. So how can our differences contribute to the future of the United States?

This is the United States of Possibility. What role will your individual state or territory play in the next 5, 10 or 15 years? What are some special aspects that you think will contribute to our country's unity? We're looking for egg designs that show how your state/territory might make a difference in the future of our country. Consider your home's unique natural resources, scientific and technological inventions or cultural developments in the arts, sports or film. Then put it into an egg design...

Here are some questions to ask your child when thinking about their egg design:

- What is the thing I love most about my state or territory?
- What makes my state/territory unique?
- What makes my state's/territory's citizens different?
- And how can any of these things contribute to the unity of our country in the future?

For full rules and terms and conditions of entering this opportunity with American Egg Board, please visit www.incredibleegg.org/unitedstatesofpossibility/rules.

STATEWIDE 4-H NEWS

Michigan 4-H to participate in Giving Tuesday, Nov. 29

On Nov.29, Michigan 4-H is once again participating in Giving Tuesday.

The Giving Tuesday movement is a global day of giving and a chance to celebrate the opportunities that make 4-H so extraordinary.

From 12 a.m. to 11:59 p.m. EST, Michigan 4-H supporters are invited to participate in Giving Tuesday by giving their support financially or helping spread the word via social media channels and word of mouth.

Michigan 4-H has a goal to raise \$5,000 to grow 4-H county endowments in a 24-hour period.

County 4-H endowments are funds created by gifts from one or more donors to the Michigan 4-H Foundation. These endowments provide a perpetual source of income for county 4-H programs, where the principal amount remains intact and the investment income supports annual needs for a county 4-H program.

Every dollar is an investment in 4-H! Learn more about 4-H Giving Tuesday at <https://mi4hfdtn.org/giving-tuesday/>.

Michigan 4-H Spectacular Youth Leadership Institute December 3-4

The Michigan 4-H Spectacular Youth Leadership Institute is an event for teens who want to improve their communities and our world through leadership and youth power! Attending the institute will help teens gain leadership skills and approach life with their head, heart, and hands open to new ideas, interesting people, and diverse cultures. Attend the institute and be part of the movement that has YOUth leading the way!

The institute will feature a wide variety of incredibly fun and interactive sessions focused on four tracks: personal development and leadership, community leadership, global citizenship, and leadership for diversity, equity and inclusion.

The institute will be held as an overnight event in East Lansing on Dec. 3-4, and as a day-long program in Wayne County and Kalamazoo County on Dec. 3 from 10 a.m.–3 p.m. Participants who register for the overnight event in East Lansing will attend a MSU Men's Hockey game on Sat., Dec. 3, as part of the evening entertainment!

This Michigan 4-H workshop is open to ALL teens (ages 13 and older by Jan. 1, 2023) and to adult leaders who have Gold Level volunteer status with MSU Extension. Space will be limited for this workshop. Learn more at: <https://www.canr.msu.edu/events/michigan-4-h-spectacular-youth-leadership-institute>.

The Michigan 4-H Spectacular Youth Leadership Institute is sponsored with a grant from the Michigan 4-H Foundation.
