STATEWIDE CALENDAR OF EVENTS

Creating Beyond-Ready Youth Through 4-H Project Learning

Beyond Ready

4-H prepares youth for the world of work by engaging them in high quality, hands-on learning grounded in meaningful project content. When young people apply skills, solve real problems and reflect on their learning, they build confidence and readiness for future careers.

4-H programs intentionally create these opportunities, helping youth practice communication, teamwork, decision making and technical skills that transfer to real world settings. Some ways to deepen project work could include: adding real life tasks, inviting youth to demonstrate mastery or guiding reflection that connects the activity to future workplace expectations. Every project meeting is a chance to help youth become Beyond Ready, capable, and confident.

STATEWIDE 4-H NEWS

Michigan 4-H license plate celebrates first anniversary!

Last April, the Michigan 4-H community celebrated a milestone decades in the making: the launch of the Michigan 4-H license plate. One year later, Michigan 4-H continues to celebrate the plate's existence and the potential it holds for the program. Available through the Michigan Secretary of State, a portion of each 4-H license plate sold and renewed benefits Michigan 4-H Youth Development.

"The Michigan 4-H license plate has been a dream of our 4-H professionals and families for several decades," explained Quentin Tyler, director of MSU Extension. "So, when the plate was launched one year ago, it was a wish come true. But more than being a vision brought to life, the plate is an incredible asset – raising visibility of the 4-H clover while generating additional dollars to support our 4-H program and its emerging needs."

Like other special cause fundraising license plates in the state, the Michigan 4-H license plate costs \$35, with \$25 of the purchase fee benefiting Michigan 4-H Youth Development. A \$10 fee is also be charged to benefit Michigan 4-H when the plate is renewed. License plates may be ordered by visiting Michigan.gov/sos, by mailing in a form or scheduling a visit to any Secretary of State office. The plate will be delivered by mail in two to three weeks. Supporters do not need to wait until their plate renewal period to order the 4-H plate.
