STATEWIDE 4-H NEWS

Join the Michigan State Fair 4-H & Youth Virtual Showcase!

MSU Extension is thrilled to partner again in 2024 with the [Michigan State Fair](#) on an exciting program for Michigan youth: the Michigan State Fair 4-H & Youth Virtual Showcase. This statewide showcase provides a virtual platform for youth across Michigan to exhibit their work in all project areas and apply for up to \$10,000 in scholarships. Any Michigan youth ages 5-19 is encouraged to participate; 4-H membership is not required.

[Registration for this event is now open!](#) The diverse array of [classes](#) celebrate all the projects and programs in which youth have developed skill and mastery. This includes livestock and animal showmanship classes, as well as still exhibits, educational projects and more.

There is no cost to participate and youth may engage in as many classes as they wish by [submitting project photos and videos](#). **Be sure to submit your entries by the registration deadline of August 10.** Project evaluation will occur before the start of the Michigan State Fair so that winners can be announced at the event which occurs August 29 – September 2.

In addition to the opportunity to showcase their skills, recognize their accomplishments and receive constructive feedback for growth and development, participants in the Michigan State Fair 4-H & Youth Virtual Showcase will also have the opportunity to apply for \$10,000 in scholarships. Learn more, find helpful resources and registration links at www.canr.msu.edu/virtual-showcase/State-Fair-Virtual-Showcase/.

Going home: Biosecurity tips for animals that travel off the farm

Adapted from: https://www.canr.msu.edu/news/biosecurity_tips_for_animals_that_went_to_the_county_fair.

Animals that are exhibited at the county fair, jackpot shows, and other exhibitions are likely near and dear to their exhibitor's hearts. [Michigan State University Extension](#) offers these biosecurity steps exhibitors can take to protect their show animals and those that were left at home once the event has ended.

- Keep animals that left home separate from animals that did not for a minimum of 14 days. If at all possible, do not allow nose-to-nose contact and provide as much distance between animals.
- Disinfect all buckets, feeders, tools and footwear that left home.
- Throw away any feed or hay that left home.
- Always wear clean clothes and footwear. Boot coverings may be helpful when caring for isolated animals.
- Take care of animals that stayed home from the show first, and animals that were at the show second. Do not go back and forth between animals as this increases the risk of cross-contamination.
- Do not eat or drink in the barn.
- Observe animals daily for signs and symptoms of illness, such as:
 - Obvious pain or discomfort
 - Decrease in appetite and water intake
 - Fever
 - Lethargy
 - Diarrhea or changes in consistency in manure
 - Discharge from nasal cavity or eyes
 - Overall weakness

Care of animals after traveling is just as critical as their pre-show care. Exhibited animals were exposed to new animal populations and fair-goers, and will typically experience a lot of stress during their time away from home. By practicing these biosecurity steps, you can help keep all of your animals safe and healthy.

Raise a puppy. Change a life.

By being a volunteer puppy raiser, you and your family create life-changing moments, while helping a person who is blind or visually impaired regain independence.

WHAT DOES A PUPPY RAISER DO?

- > Devote 12-15 months of your time, energy and love to raising a puppy
- > Provide daily care, such as feeding and walking
- > Teach basic commands based on Leader Dog guidelines
- > Introduce the puppy to a variety of people and environments
- > Receive tons of ongoing support from Leader Dogs for the Blind

There are multiple puppy raising options to fit your lifestyle.

ONE HOUSEHOLD

This traditional way to puppy raise is perfect for families, college students, active singles, retired couples and empty nesters.

CO-RAISING (PRIMARY AND SECONDARY RAISER)

This option is for someone who wants to share duties with a person from another household.

PASS-ALONG

One raiser has the puppy for the first six months and a second raiser has the puppy for the next six months.

- > Ideal for people who can commit only to a limited time raising a puppy
- > Individuals with pet weight/size restrictions or who may be more comfortable handling a younger, lighter dog can raise for the first six months, while individuals who prefer a dog that already has foundational behaviors may prefer raising the last six months.

CAMPUS PUPPIES

For college students raising on campuses approved by Leader Dog.

- > Must participate in campus puppy club and meet with assigned puppy counselor
- > All supplies, veterinary care and food paid by Leader Dog

To get more information, scan this QR code or visit LeaderDog.org and click on Volunteer.
