STATEWIDE CALENDAR OF EVENTS

Wild Spartans Series returns

Starting in October, the Wild Spartans Series is back! Join 4-H staff as they take a look into life working with fisheries and wildlife! Follow along to climb through bogs, peer into bear dens, mist net songbirds, snorkel for fish, or perhaps even tag deer. Meet natural resources professionals, learn about their field work, and the education and career path they've followed to get there.

Monthly sessions will begin in October and be held on the second Tuesday of the month at 6:30 p.m. EST. Each 30-minute session will feature 1-2 guest speakers. Youth will be encouraged to ask questions to learn more through a live Q&A with scientists.

This free virtual series is open to 4-H and non-4-H youth ages 12-19 years. Pre-registration is required: www.canr.msu.edu/events/wild-spartans-monthly-wildlife-fisheries-webinar-series-2025-2026.

National 4-H Week: October 5-11

For more than 115 years, 4-H has inspired families, shaped careers, and impacted communities. From October 5-11, we will celebrate the impact of 4-H during National 4-H Week. The theme of this year's National 4-H Week is "Beyond Ready." This theme celebrates how 4-H is building a ready generation in a world of change, equipping youth with skills for the future while meeting them where they are today.

Learn more about ways you can celebrate during National 4-H Week at <https://www.canr.msu.edu/events/national-4-h-week>.
