4-H Thriving Model of Positive Youth Development

Building a sense of belonging in our 4-H program has been a long-standing tradition. What does this look like?

It may be a project leader, club leader, or event organizer welcoming you to each meeting or event. It may look like a "roll call" or "ice breaker" at the beginning of a meeting.

The initial welcome allows people to know that they have been seen in the room. So, the next time someone asks you a roll call question of "What's your favorite cheese?", know that there is a reason.

We want to get to know you. We want to hear your voice. We want the ability to start building relationships by finding likenesses among us.

Contact your local 4-H staff for more information.

Disasters don't just affect people — they impact animals too. Consider attending the LADDER training to strengthen your community's disaster preparedness by including animals in emergency planning. This discussion-based exercise brings together Extension educators, emergency managers, veterinarians, livestock producers, and more to build innovative, whole-community solutions. Registration is \$25 and includes all training materials and lunch.

Registration is now open: <https://events.anr.msu.edu/LADDERLansing/>

Let's climb the LADDER to better preparedness — for everyone.

Do you need to get certified as a pesticide applicator or renew an expired license?

This winter, join MSU Extension at one of the 28 in-person testing opportunities across the state. March 4 MSU Extension Jackson will host a review (1715 Lansing Ave, Jackson, MI). There will be a review of core materials followed by the Core exam. Aerial and Fumigation category exams also available. Review session fee \$25. 4 RUP.

To register for the Jackson event or any of the other sessions, visit <https://events.anr.msu.edu/2026pesttest/> or call the Jackson Extension office 517-788-4292

JACKSON COUNTY FAIR 2026 DATES AUGUST 9TH – 15TH

STATEWIDE 4-H NEWS

Participate in the World Food Prize Michigan Youth Institute

As millions across the globe deal with food insecurity, the World Food Prize Michigan Youth Institute (WFP MIYI) offers young people an opportunity to be part of the solution. Held May 7 in East Lansing, or by participating from anywhere else using Zoom video/web conference technology, the event seeks to inspire and prepare the next generation of global leaders to end world hunger.

To participate, youth should be in grades 7-12 and register by the March 15 deadline. As part of the registration process, youth are required to prepare a three- to five-page research paper about a developing country and one of 22 key factors that affect food security. At the event, youth present and discuss their papers with other attendees and research and industry experts.

The top performing students at the WFP MIYI will be selected to attend the World Food Prize Global Youth Institute in Des Moines, Iowa, in October. For more information, visit <https://www.canr.msu.edu/wfpmiyi/>. Registration opens February 1 and closes March 15.

Tickets now available for Michigan 4-H Day at the Breslin

Join MSU Extension and Michigan 4-H on March 1 for the 20th celebration of Michigan 4-H Day at the Breslin! This fun family event will be held at the Jack Breslin Student Events Center as the MSU Women's Basketball team takes on the Ohio State Buckeyes!

Those interested in attending can purchase tickets at a price of \$7.50 plus fees. This is a discounted rate available to the Michigan 4-H and MSU Extension communities; complimentary tickets are no longer available due to the rising popularity of college sports. MSU Extension and Michigan 4-H youth, volunteers, partners, stakeholders, alumni, staff and their families are all encouraged to attend.

Tickets can be purchased through a two-step process. First, guests should register at <https://events.anr.msu.edu/4HBreslin2026/>. Within one week, registrants will receive a custom purchase link to the email provided in registration. Attendees must then use this custom link to purchase tickets for the event. Additional ticketing information is available on the registration website. Registration will close on February 17.

Tip-off for the game is scheduled for 12 p.m. Gates to the Breslin will open at 10:30 a.m., with a variety of pre-game activities hosted by MSU Extension professionals around the concourse. Participants are encouraged to show their pride and wear green and white 4-H or MSU Extension apparel. Families for whom cost is a barrier should contact their local 4-H program coordinator.

Show your 4-H pride wherever you go!

Did you know you can make a difference for 4-H every time you hit the road? By purchasing the Michigan 4-H specialty license plate, you're not only showing your 4-H spirit—you're helping fund programs that empower young people across the state. A portion of each plate sale and renewal benefits Michigan 4-H, supporting hands-on learning experiences that help Michigan youth become beyond ready for the future.

Whether you're a current member, alumni, volunteer, or simply a proud supporter, this is an easy way to give back and keep 4-H growing strong. Ordering is simple through the Michigan Secretary of State.

Drive your support forward—get your 4-H plate today and help create opportunities for the next generation of Michigan 4-H youth! Learn more at extension.msu.edu/4-HPlate.
