# MARKET GOAT JOURNAL GUIDELINES

Number of Years in the Market Goat Project:\_\_\_\_\_\_.

My project goals and what I hope to learn while doing this project are:

1		 	
2	 	 	
3	 	 	
<u> </u>	 	 	
4	 	 	

Month	Type Of Feed Used.	Pounds Of Feed Used	Cost Of Feed Used
	What Was the Main Ingredient?	For The Month	For The Month
January			
February			
March			
April			
May			
June			
July			
L I			

### MONTHLY FEED RECORD AND EXPENSES

TOTAL COST OF FEED: \$\_\_\_\_\_

## **EXPENSES OTHER THAN FEED**

List all expenses such as veterinary fees, other health care costs, fitting, housing, and other supplies, etc. For additional pages, please use the Expenses Other Than Feed Continuation page.

Date	Item Description	Cost

TOTAL EXPENSES: \$\_\_\_\_\_(Include total expenses from continuation pages.)

Date	Item Description	Cost

## EXPENSES OTHER THAN FEED, CONTINUED

SUBTOTAL \$\_\_\_\_\_Add this total into your TOTAL EXPENSES in the first Expenses Other Than Feed section.

## MARKET GOAT JOURNAL RECORD PAGE

- <u>A separate page will be used for each goat.</u>
- The Project Start Date is the date the goat is put on feed.
- The Project End Date is the last day of the Fair.
- The goat's Initial Weight and Date of Initial Weigh-in will be accomplished and recorded by the Goat Superintendent.
- The Actual Ending Weight is the weight of the goat at Fair Check-in.
- All weights will be recorded in Pounds; tenths of pounds may be used if desired.

#### **GOAT INFORMATION**

Scrapie		
Identification	Gender	
Number		
Acquisition Or	Birth Date	
Purchase Date	Difti Date	
Purchase Price		
Or Value Of This	Project Start Date

Breed	Project End Date	

#### WEIGHT SUMMARY

Goat's Initial Weight	Goal Ending Weight	
Date Of Initial Weigh-In	Actual Ending Weight	

TOTAL POUNDS GAINED: \_\_\_\_\_(Initial Weight minus Final Weight)

RATE OF GAIN

This goat gained an average of \_\_\_\_\_ pounds per day.

(Total weight gained divided by the number of days on record.)

#### **PROGRESS WEIGHT CHECKS**

For The Goat Identified As

Separate pages will be used for each goat. Pounds Gained will be calculated from the date weighed last. Use additional pages as needed. Comments should include documentation of feed start, feed changes,

immunizations, other medicines, veterinary fees, etc. and impact of that matter on the goat's weight gain and health. For additional pages, please use the Progress Weight Checks Continued page.
