COUNTY 4-H NEWS

VOLUNTEERS NEEDED!

Through fun, hands-on educational opportunities, Michigan 4-H is helping to prepare a ready generation in a world of change. And critical to delivering these opportunities are volunteers - the most essential partner in the 4-H program.

Consider becoming a Michigan 4-H volunteer today and help to prepare the next generation. By giving your time, talent and skills, you can help ready youth for whatever the future holds. Give an hour a week, month or year - there are volunteer roles for any skill level, time commitment and interest area.

With your help, more kids will be ready to take on the world. More youth, more community, more ready!

To learn more about becoming a volunteer, go to
https://www.canr.msu.edu/becoming_a_4_h_volunteer/

2025 MARK OF EXCELLENCE RECIPIENT

Congratulations Autumn Wellington! Autumn is a recipient of the 2025 Michigan 4-H Mark of Excellence Award. Autumn states that because of her 4-H experiences she feels beyond ready to achieve all of her life goals. Autumn says that through 4-H she has learned to manage her time, feel more confident speaking to adults and in public and sees the value in giving back to her community.

Earlier this year, Autumn received a certificate and a medal for her achievement. Her winning essay will also be added to the Mark of Excellence history book at the Michigan 4-H Foundation and State 4-H Office at MSU Extension.

2026 PLAT BOOK – COVER PHOTO BY 4-H MEMBER

Congratulations Remi Peel! Remi's photo was selected for the cover of the 2026 Lapeer County Land Atlas & Plat Book.

The 2026 Lapeer County Land Atlas and Plat Book is now available from the Lapeer County MSU Extension office. This newest edition published by Rockford Map Publishers is available for purchase for \$45 from the MSU Extension Office. Every plat book that is sold in Lapeer County helps fund local Extension Educational opportunities.

The new plat book accurately displays parcel boundaries, acreage data, roadways, waterways, railways, section lines, municipal boundaries, recreational areas, and includes an index to landowners. A 3D aerial map lies opposite each township parcel map and is very useful in providing a quick gauge to the use of a particular parcel.

Plat books are a great reference tool for landowners and business owners. It is a necessary reference guide for industries such as agriculture, land development, hunting, real estate, utilities, municipal government, and more.

Scholarships may be available
through your local 4-H office!

Register for Michigan 4-H Capitol Experience!

At Michigan 4-H Capitol Experience, teens learn how to change the world for the better through engagement in Michigan's state government and public policy process. The program is scheduled for March 15-17, in Lansing.

The three-day event, open to high-school-aged youth, includes tours of the Michigan Capitol, interactions with state legislators, meetings with state agency staff, lobbyists and state-level experts and learning how policy is made. During the program, youth work in small teams to draft legislation on: agriculture; civil rights and youth advocacy; crime and law enforcement; education and teacher retention; environment and natural resources; health; and jobs, the economy and infrastructure.

The cost to attend is \$365, which includes lodging at the Okemos Conference Center. Please contact your local 4-H program coordinator to inquire about local funding opportunities. To learn more and/or find the link to register, visit www.canr.msu.edu/4_h_capitol_experience/.

Earn prizes with the Michigan 4-H Cash Composition Contest

Did you know youth are being targeted by scams too? That's this year's theme for the 2026 Michigan 4-H Cash Composition Contest! Michigan youth aged 9-19 are invited to participate through writing an essay on this year's question.

Top entries receive a \$100 gift card, thanks to contest sponsor, Extra Credit Union. MSU Extension will host two webinars to help with fraud awareness and essay writing. Essays are due by March 1. Apply for the Michigan 4-H State Awards!

Michigan 4-H true leaders ages 10 and older have an opportunity to be recognized for the great work they do in 4-H and develop their career skills by completing a state award application. A Michigan 4-H State Award is the highest honor bestowed on a Michigan 4-H member and provides an opportunity to receive recognition for their engagement in rich learning experiences that result in outstanding knowledge and life-skill development.

State award applications are divided into four categories: Mark of Excellence contest (10-11 years), junior state award (12-15 years), senior state award (16-19 years) and group awards (13-19 years). An Achievement Award was added last year for 18-19-year-olds. Each application and selection process varies, dependent on the applicant's age.

More information about the Michigan 4-H State Award process and Mark of Excellence Contest can be found online at bit.ly/stateaward. Applications are due April 1. For more information, contact your 4-H program coordinator or email Betty Jo Krosnicki at nashbett@msu.edu or Janice Zerbe at rajzerj@msu.edu.

4-H Thriving Model of Positive Youth Development

Relationships are the foundation of a successful 4-H program! These relationships include building friendships with other members and leaders, building great working relationships and trust between program leaders and members, and adult leaders working together to organize great opportunities for youth.

We hope you can find others in the 4-H program in which you can build positive friendships and/or mentorships. Join us for any events and meetings to get to know everyone in the program.

Youth thriving is the first step in building youth who are #BeyondReady! Contact your local 4-H staff for more information.

MSU Campus
Room 152 Natural Resources Building

March 3rd and 4th, 2026
9:30-4:00 each day

Michigan State University's Department of Fisheries and Wildlife invites teachers, educators and volunteers to 2 days of:

"Place Based Learning through Sportfishing and Aquatic Resource Education".

This workshop is open to anyone, even those who may want to learn a bit more about fishing to be able to volunteer for local fishing events, or even teach your own family!

Coordinated through Michigan State University's Department of Fisheries and Wildlife, this workshop is a partnership with MSU Extension, MSU 4-H Youth Development, Department of Natural Resources, Michigan United Conservation Clubs, schools, and community service organizations and many others to educate young people about our natural resources through FISHING.

This is a workshop based on the Project FISH philosophy of hands on, multiple-contact sportfishing and aquatic resource education. We will offer activities in Aquatic Ecology, Tackle Crafting, People and Fish Management and actual Angling Skills. Participants will leave with curriculum activities, equipment, even a fishing rod & reel, and access to supplies and resources to begin a successful fishing program/club with children in the classroom or in an after school setting. The workshop is partially funded through **donors to Project F.I.S.H.** (lunch will be provided)

Cost for the Workshop is only \$100

JOURNEY STICKS

This Winter outdoor activity is perfect for budding collectors and storytellers. Every adventure and walk has a story to tell, especially when you're adventuring with children. Gathering and hunting for nature on your walk is such a great way of documenting your journey, these sticks can often be referred to as nature sticks or storyteller sticks.

Gather up flowers, leaves, feathers, acorns, etc. along your walk and wrap them around your stick. You may find pinecones that could have been nibbled by badgers, a feather, winter berries or sheep's wool. To secure your treasures to the stick use elastic bands or hair bobbles for young children and for older children use string or yarn and get them to wrap bits of nature around the stick which also keeps them busy working on knot tying skills.

For very young children use a piece of cardboard with double sided sticky tape as an easier way to independently document their journey.

TRY SOMETHING NEW

January is a great month to try something new! Maybe it's learning a new language, reading a new kind of book, learning to play a new instrument, or trying out a new hobby. This can be an activity for your kids or for your whole family!

TEACH

January 11th is "learn your name in Morse Code day".

Morse Code was invented by Samuel Morse and is a series of "dots and dashes". The dots and dashes are encoded text characters, considered the forerunner to email, text messages, and other near-instant messaging used today.

Happy Hive Homeschooling has a post on the history of Morse Code and activities to help you learn your name at:

<https://happyhivehomeschooling.com/write-your-name-in-morse-code/>

You can also use the links from the article to visit a few online sites where you can input text and it will play it back in Morse Code!
