**Section II: Learning Experiences (10 points)**

This should show your participation in tours, workshops, camps, judging events, field trips or other learning experiences in your project area.

**Section III: Project Content Knowledge and Skills (20 points)**

Consider your total years in the project and think about the goals you had planned to accomplish when you started the project. Using this information, list in this section **3-5** of the most important knowledge and skills you have gained in this project and include how you have used that knowledge or skill.

**Section IV: Project Area Leadership (20 points)**

Choose 3 leadership experiences you have had and describe their significance to your personal growth and development. Examples may include your experiences as a junior or teen leader and other volunteer leadership roles you have performed at 4-H activities, camps, workshops, judging teams, tours and field trips, state events and elected positions you may have held.

**Section V: 4-H Citizenship and Community Service (20 points)**

Choose 2 4-H Citizenship and/or Community Service experiences you have had and describe their significance to you and your community. Citizenship can be defined as acting with informed concern for you and for others either as an individual or as part of a group. Community service activities are what you do, both alone and with others, to help your community. Examples may include activities that contributed to the welfare of your club or group members, other individuals or community.

### Section VI: Life Skills Gained (20 points)

Choose 2 Life Skills from the “Teaching Life Skills” image below and describe how you have developed each of those Life Skills through your 4-H project.
