FEED THE FUTURE INNOVATION LAB FOR LEGUME SYSTEMS RESEARCH

December 2024

The Feed the Future Innovation Lab for Legume Systems Research fosters dynamic, profitable, and environmentally sustainable approaches that contribute to resilience, productivity, and better nutrition and economic opportunities. The lab is managed by Michigan State University.

From the Management Office

Season's Greetings

The Legume Systems Innovation Lab wishes a happy holiday season to our family of global legume researchers, experts, and stakeholders. As we look to 2025, we are inspired by the spirit and goodwill of so many working towards global food security.

Cooking with Legumes

Borlotti Bean Stew

Borlotti beans, also known as cranberry beans, are the star of this stew which features a bright pesto topping made with carrot tops, basil, garlic, pine nuts and parmesan cheese.

The recipe by Chef Tom Hunt is highlighted on the [Beans Is How website](#) which also includes many other great legume recipes that your family is sure to enjoy. *Beans is How* is a campaign working to double global bean consumption by 2028. Their [website](#) is a great resource for all things BEANS! Check it out today and start eating more beans!
