Clothing & Footwear

Footwear

Feet should always be covered.

Boots are the required form of footwear when showing horses. The one exception to this rule is costume class where in addition to boots, athletic and other tied shoes are also acceptable forms of footwear. When not in the arena, shoes should cover the feet securely. Bare feet, flip-flops and sandals pose a safety hazard because they don't protect the feet. Loafers and other slip-on shoes are a hazard because they can come off the foot easily.

Clothing

Standard clothing for showing in the ring is English or Western apparel. Mid-drifts, cleavage and buttocks should be covered and undergarments tucked in. T-shirts should not have slogans or advertisements that have sexual connotations or refer to drugs, alcohol or illegal activities. Have spare clothing available in case what you are wearing is not acceptable and you need to change.

In costume classes, the first priority is safety for both the horse and the participant. If riding, participants need to be able to get on and off the horse safely. Costumes should be rated G or PG. Costumes rated PG-13, R and X are unacceptable at 4-H activities.

Fashion changes rapidly and not all fashions are flattering. Youth view fashion differently than adults, and even individuals in the same age group vary in the degree to which they embrace a fashion trend. Moreover, whether fashion is appropriate depends on the situation or setting. What may be acceptable at home may not be acceptable at school or church. What is viewed as okay when hanging out with friends may not be okay when participating in structured programs such as Boy Scouts, Girl Scouts or 4-H.

The bottom line is that not everyone has the same standards and attitudes towards clothing. There are some general standards on which most can agree but there will always be details about which we have to agree to disagree

The Bill Collins Outstanding Horsemanship Award

In the space provided below, discuss the nominee's experiences in the Macomb County horse program.

Jane Sylvester Sportsmanship Award

The Macomb County Hollywood Stars 4-H Club introduced this award in 2002 in memory of Jane Sylvester.

Jane Sylvester spent almost 30 years as a leader in the Macomb County 4-H Horse Project. During that time she touched the lives of many of our members and leaders. She is remembered for the qualities she inspired in all with whom she came in contact. Her generosity, fairness, and modesty were without a doubt one of the truest displays of Sportsmanship. In remembrance and honor, this award is to be presented each year to the 4-H member or Adult Volunteer nominated with those qualities that most display the sense of sportsmanship Jane lived her life with.

A true sportsman is not necessarily the individual that wins or loses the competition. Sportsmanship is the behavior the individual displays while competing. A true sportsman takes defeat without complaining, even if it means they cannot show. They temper the thrill of the victory with modesty and without gloating. Opponents are treated with fairness, courtesy, and generosity. Any member that is involved in the Horse Project to promote a positive experience for themselves and their peers is a candidate for the Jane Sylvester Sportsmanship Award.

It is our hope that those who do remember Jane or never had the opportunity to know her will continue to be touched by her spirit of fairness in the show areas through the introduction of this award.

Each Club registered in the Macomb County Horse & Pony Project may nominate up to 3 individuals for this award. Nominees may be any 4-H member in the Macomb County 4-H Horse Project. Of the 3 individuals, only one may be a member of the club making the nomination. **A single page letter of support (form attached) must accompany each nomination.**

A committee selected by MSU Extension will review the content of the nominating forms (less the identity of the individuals) to determine the winner. All nominees will be recognized at the year-end banquet and the winner will be announced and presented with the trophy.

Alexis Award

I always thought of showmanship being the foundation of riding. From pivoting to a simple back, all this can not be achieved in the saddle until the groundwork has been done to do so. Showmanship is much more than just another class. It is a class that showcases a horseman's ability and dedication to perfect the horse's ability to perform various actions. When showmanship was first introduced it was originally performed in western attire.

I have created this award to showcase the horseman that pays attention to the fine details that it takes to be in showmanship.

This award goes to the western showmanship exhibitor that has accumulated the most first places during the Macomb 4h show season.

This award is available for w/t through 19 year old.

The winner of this marvelous award will receive a belt buckle as well as the revolving trophy.

I am honored and proud to be able to share my love for showmanship with our future horsemen and horsewomen that also strive to perfect the art of showmanship.

The Equitation Rider Challenge Trophy

This Award is being donated by Gabrielle Oddo of GO Performance Horses in recognition of the rider that has competed in Saddle Seat equitation, Hunt Seat equitation and Western Horsemanship earning the most points out of every rider. The definition of Equitation and Horsemanship is simply so, the art or practice of horse riding. More specifically it refers to the rider's position while mounted, and a rider's ability to ride correctly with minimal and effective aids. This award will be given yearly in honor of these riders that show hard work and dedication to this sport we all so greatly love and to show what can be done with practice and patience when trying to compete in every division, also while showing how versatile each horse and rider can truly become.

Criteria for Award: Riders must compete in all three at all 4 shows.

Must compete in the following classes based off of age

- Saddleseat Equitation 8-19
- Hunt Seat Equitation 17-19
- Hunt Seat Equitation 15-16
- Hunt Seat Equitation 13-14
- Hunt Seat Equitation 8-12
- Western Horsemanship 17-19
- Western Horsemanship 15-16
- Western Horsemanship 13-14
- Western Horsemanship 8-12

The rider with the most points in all age divisions will have the honor of receiving the year end award. The deciding factor will be the Saddleseat class which includes all ages.

In the 2023 season the awards given away will be the challenge trophy will be given for one year and brought back the following awards banquet and an award belt buckle that the winner can keep permanently in honor to show their accomplishment.

Sparkle

This trophy is dedicated by a young girl who loved her horse. Carmello was not just any horse, he was her best friend! They ran in the fields, almost like playing tag and they made angels in the snow. Carmello never faulted in pulling his little people "around and around" the circle driveway. Its almost like he knew he was the babysitter, ensuring that all of the children on the farm were safe as long as he was around. Not only was Carmello a faithful companion in the backyard, he also was an diverse show horse. His titles range from Hall of Fame in Halter and Country Pleasure Classes with the American Miniature Horse Registry to National Championships in many disciplines to undefeated at his local fair. Where ever Carmello showed at, he was passionate and stood so proudly or jumped so big or pulled so strong, just to please his person. Carmello is a true example of an all -around Versatile Horse. Carmello will not be forgotten, he will always leave his legacy in the heart of his owner, Vivian Boomer.

Awards Given at Armada Fair

Curious George

This is a horsemanship and equitation championship award for best rider of the Armada Fair. Each participant has won his or her horsemanship or equitation class at the fair. This year, this award is dedicated to the memory of a very special horse. He was the kind of horse that every child should be lucky enough to have as their first. Curious George not only proved himself to be worth his weight in gold at 4-H shows, but also made a name for himself on the hunter circuit. He taught me the basics of dressage and took me safely around my first cross country course. He always took me safely over every jump, carefully down each trail, and around the show ring with class. He can never be replaced.

Nostalgia Judicial Review Memorial Award

The Nostalgia Judicial Review Memorial Award is presented to the Rider who has accomplished the most points at the end of the 4-H Show Day. This award is dedicated to and commemorated in the everlasting memory of a once in a lifetime horse, Nostalgia Judicial Review, better known as "Judd". He spent a majority of his life showing in the Macomb County 4-H Horse Program, as well as competing in local eventing and dressage competitions. Judd was the definition of the ultimate all-around horse. He started his show days with every showmanship class, participating in all classes in between and ending with gymkhana. He brought home multiple state championships and built an unmistakable reputation for his name during his 24 years of life. Judd is an icon and a legend, and he will be missed dearly. Clearly his name and memory will live on, especially with this award. Thank you, Judd, for the impact you made on us and the lives of so many others you have touched.

Klusendorf

2022 Klusendorf Award Speech

This is the 49th year the Klusendorf award has been presented, to a worthy horse project 4-H member. In 1973 the award was presented the first time. This doesn't seem possible, and I am always very proud to present it. I was a leader in a Macomb County 4-H horse club at that time, and for many years after. I would say that makes the first recipient 56 years of age, many times people ask how the award came into existence, especially new members in the 4-H horse barn. I will tell you Ervin Klusendorf, an Armada resident, served as a recording secretary and manager of this fair, for 14 years. He was at the time of his death the fourth vice president of the Michigan Association of Fairs. Erv passed away suddenly on March 2nd of 1973, at the age of 54 years; he was a much-respected person in the community, and especially those affiliated with this fair. In 1973 a very dedicated 4-H horse project couple, Red and Floe Conner, who at that time were leaders of the now extinct Bell River 4-H Horse Project Club, decided it would be appropriate to honor Erv's memory. In the meantime, a revolving trophy was purchased. The recipient of this award is determined in the following manner: all of Macomb County 4-H horse project members, English and Western, that received a first placing in their fitting and showing class, are re-judged and the member who then receives the first placing is awarded the trophy. Receiving the award has always been a special honor to any member. I will now announce the past recipients who have received the honor, and if any of these people are in the audience, I again wish to congratulate them.
