

MSUE Michigan Naturalist: Grand River Capital Region

Become a Michigan Naturalist and help protect Michigan's natural heritage.

Sundays
10:00-2:30pm
April 12 through
October 11
(no July class)

Program Fee: \$200.00

Includes six in-person
sessions and online modules.

Hosted by:

Woldumar Nature Center
5739 Old Lansing Road
Lansing, MI 48917

Who should attend?

This program is open to adults interested in gaining a greater understanding of Michigan's natural environment, including landforms and native flora and fauna.

What will you learn?

Through this program you will discover the interconnectedness of Michigan's natural ecosystems and how everyone can contribute to wildlife conservation in their own backyard and community. You will also learn about interpretive techniques that will help you share what you have learned in meaningful and creative ways. Sign up today for this exciting course and start your journey to become a Michigan Naturalist!

MSU is an affirmative-action, equal-opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.

MSUE Michigan Naturalist: Grand River Capital Region

About the Michigan Naturalist Program

Three seasons of monthly sessions are taught in hybrid classroom and at different locations within the region. The class will consist of a combination of online reading, assignments, and discussions; live lectures and naturalist guided field experiences. Internet access and a computer or tablet is a must for this blended online training.

Participants need to be prepared for a moderate amount of walking and a variety of outdoor conditions. Some locations may contain variable steep or rough terrain. Please contact us if special accommodations must be made. Automobile transportation is necessary; carpooling is encouraged. Participants are responsible for entry fees to field sites (Michigan passport, park fees, etc.)

Participants are responsible for purchasing their own required books:

- Bringing Nature Home by Douglas Tallamy
- Kaufman Field Guide to Nature of the Midwest by Ken Kaufman, Jeff Sayre, and Kimberly Kaufman
- Managing Michigan's Wildlife: A Landowner's Guide, Sargent, M.S and Carter, K.S., ed. 1999. *(Available as a free PDF)*

Recommended optional field guides may be listed in the course syllabus.
