## Reminder of upcoming changes to Michigan 4-H Age Policy

The new 4-H programming year is finally here, and with it comes changes to the Michigan 4-H Age Policy. Beginning September 1, the Michigan 4-H Participant Age Policy reflects a younger beginning age for 4-H members. The new age for 4-H members is 8 to 19 years old, continuing to use January 1 of the program year as the date of calculation. The 4-H Cloverbud experience will remain available to youth ages 5-7.

Youth ages 8 to 19 as of January 1 of the program year are eligible to be Michigan 4-H members.

This policy change has been implemented by MSU Extension after lengthy consultation with early childhood and Michigan 4-H youth development staff, as well as careful consideration of research regarding youth and competition. Furthermore, it moves Michigan 4-H into alignment with counterparts across the country, including National 4-H.

As always, age appropriateness and safety remain a top consideration for 4-H programming areas and Michigan 4-H continues to support minimum age limits for certain learning environments that may not be appropriate for children 8 years of age. Additionally, individual county 4-H programs with MSU Extension also retain their right to determine the beginning age for 4-H involvement within that county.

Furthermore, Michigan 4-H partners such as fairs and exhibitions may choose to implement age limits for certain projects where they feel 8-year-old participation (or older age groups) may not be safe or appropriate (for example, market beef projects). Alternatively, fairs and exhibitions may offer activities that are not consistent with 4-H Cloverbud policies, such as competition for youth below age 8. These are not considered a Michigan 4-H Youth Development activity and participation is the decision of the young person and his or her family.

For more information on the 4-H Participant Age Policy, visit [http://msue.anr.msu.edu/resources/michigan\\_4\\_h\\_participant\\_age\\_policy](http://msue.anr.msu.edu/resources/michigan_4_h_participant_age_policy).
