Montcalm County

Is it already February???

We're only 5 short months away from the Montcalm County Fair! The theme this year will be My Fair 80's, and it's the 90th year of our fair!

We have a lot of workshops, events, and meetings coming up, as well as state ran events, so make sure you're getting the information you need. I include in these newsletters, links to our 4-H page and the Fair Association page, so that it is easier to locate the items you need from each!

Thank you all for your continued support, and for being awesome 4-H families!

4-H Thriving Model of Positive Youth Development

Building a sense of belonging in our 4-H program has been a long-standing tradition. What does this look like?

It may be a project leader, club leader, or event organizer welcoming you to each meeting or event. It may look like a “roll call” or “ice breaker” at the beginning of a meeting.

The initial welcome allows people to know that they have been seen in the room. So, the next time someone asks you a roll call question of “What’s your favorite cheese?”, know that there is a reason.

We want to get to know you. We want to hear your voice. We want the ability to start building relationships by finding likenesses among us.

Contact your local 4-H staff for more information.

STATEWIDE 4-H NEWS

Participate in the World Food Prize Michigan Youth Institute

As millions across the globe deal with food insecurity, the World Food Prize Michigan Youth Institute (WFP MIYI) offers young people an opportunity to be part of the solution. Held May 7 in East Lansing, or by participating from anywhere else using Zoom video/web conference technology, the event seeks to inspire and prepare the next generation of global leaders to end world hunger.

To participate, youth should be in grades 7-12 and register by the March 15 deadline. As part of the registration process, youth are required to prepare a three- to five-page research paper about a developing country and one of 22 key factors that affect food security. At the event, youth present and discuss their papers with other attendees and research and industry experts.

The top performing students at the WFP MIYI will be selected to attend the World Food Prize Global Youth Institute in Des Moines, Iowa, in October. For more information, visit <https://www.canr.msu.edu/wfpmyi/>. Registration opens February 1 and closes March 15.
