GUIDELINES & INFORMATION

Service Learning Projects

Goal

The program goal is to foster the expansion of community service involvement including service learning and experiential learning opportunities by 4-H members in partnership with communities, non-profit agencies, schools, and governmental bodies.

Plan

The 4-H Council will fund projects/services that will encourage 4-H youth to become involved in community life by assisting in solving problems or providing a service while utilizing their education and expertise. The program is intended to give 4-H youth an opportunity to expand their learning environment and to increase awareness of Montcalm County's 4-H program.

Grant Levels

Grants will be made to 4-H clubs and will range from \$100 to \$500. Three grants can be awarded per year.

Grant Authoring and Sponsorship

- Must have the approval/sponsorship of the author's 4-H club and leaders.
- The project **must have approval/sponsorship** from an external community partnership agency; outside of 4-H. Examples are schools, governmental units, or community organizations.

Expected Uses of Funds

1. Funds may be used for travel for 4-H members only as needed to provide the service.
2. Funds may be used for materials and supplies necessary to complete the project.
3. Publicity, printing, and postage are allowable costs.

7. **Funding for field trips will not be considered.**
8. The project/service must be described in 250 words or less, including how the grant will benefit the community and the service learning experience of the students.
9. Complete an itemized budget and expected income (if any) for the project. Clearly state the amount you are requesting.

General Information

2. Successful previous partnerships will be viewed positively in cases of renewal grants or new projects with the same community partners **and if a final report has been submitted from a previous project.**
3. Community organizations may initiate projects by describing their need directly to appropriate 4-H members or clubs. Grants will only be made, however, to 4-H clubs and not directly to the community organization.
