

Undergraduate Multicultural Internship Program

Michigan State University Extension is offering the following paid internship opportunities (\$12.50/hour—40 hrs. per week) for high achieving multicultural undergraduates during the Summer 2021.

Building Strong Sovereign Nations – Emmet County (Virtual)

MSU Extension invites you to join our 'Building Strong Sovereign Nations' team for relationship building, outreach and evaluation with Michigan Tribal Leaders, Youth, Citizens and Governing Officials. If you are interested in policy, leadership, making new connections and improving Extension's tribal programs, this internship opportunity is custom-made for you. This internship will work alongside MSU Extension Educators to collect and analyze existing tribal governance program evaluations; develop and implement new evaluations for 2021 programming; Reach out to leaders and assist with online or phone-based interviews and events. This internship is looking for someone self-motivated, creative, and who is looking for a way to grow their policy and leadership knowledge.

Location: Virtual as job can be accomplished from any location. Regular videoconferencing with MSU Extension educators/supervisors.

To Apply: msu.joinhandshake.com/jobs/4342282

Application Deadline: April 15, 2021 or until position is filled

Youth Programming Intern—Oakland County (Virtual)

The proposed internship opportunity will assist in facilitating CYI 4-H summer youth programming in, Oakland County, specifically in the City of Pontiac. The intern will work with local staff to develop online programming to meet the needs of children, youth and families in this community.

Internship Location: Virtual as job can be accomplished from any location. Regular videoconferencing with MSU Extension educators/supervisors. Focus area will be Oakland County – City of Pontiac.

To Apply: msu.joinhandshake.com/jobs/4342303

Application Deadline: April 15, 2021 or until position is filled

Youth Outreach Intern— Wayne County (Virtual)

This internship will focus on using research to improve 4-H outreach and marketing efforts in reaching urban and diverse youth and families throughout the Metro Detroit area. The intern will conduct research within urban and diverse communities to determine how youth and families in urban and diverse Metro Detroit communities learn about and select youth programs in which they participate. The intern will then use research results to develop advertising and marketing plans to improve Wayne and Macomb County 4-H outreach and marketing efforts to urban and diverse youth and families. The position can be done remotely with the intern collecting research, developing materials, and outreaching to target audiences using online platforms.

Internship Location: Virtual as job can be accomplished from any location. Regular videoconferencing with MSU Extension educators/supervisors. Focus area will be Wayne and Macomb counties.

To Apply: msu.joinhandshake.com/jobs/4342311

Application Deadline: April 15 or until position is filled
