

Professional Development in Pears

Select *Plan* > *Professional Development*.

The screenshot shows the Pears Professional Development interface. The 'Plan' dropdown menu is open, highlighting 'Professional Development'. Below the navigation bar, there are four tabs: 'My Plans', 'My Events', 'Event Catalog', and 'My Proposed Events'. A table below the tabs shows reporting periods, program areas, and core competencies. Four callout boxes provide instructions for each tab.

Reporting Period	Program Area	Core Competencies
Extension 2020 / January 1, 2020 - December 31, 2020	Director's Office	Extension and Education Delivery

My Plans: This tab is specific to you. Add your own professional development plan here.

My Events: This tab is specific to you. Events you toggled in the *Event Catalog* will show up here.

Event Catalog: View and search for professional development events. Use the toggle to add them to *My Events*.

My Proposed Events: Add a professional development event that you think will be of interest to many others at Extension. Events are vetted and approved and then will show up in the *Event Catalog* for all to see.
