

MSU Extension Multicultural Resource List

Summer 2001

Understanding multiculturalism is a process by which we come to recognize, understand and appreciate our own culture and cultures other than our own and that multiculturalism stresses an appreciation of the impact of differences such as gender, race, age, class, sexual orientation, religion, abilities, etc. The MSUE Diversity Committee offers the following resource list of books, web sites, children's books and videos to assist in your continued multicultural development.

Compiler's note: This list is a work in process and will be updated on a yearly basis. The omission of any resources from any particular group contained in this list is not a commentary on the importance of that group in our multicultural journey. Please feel free to provide suggestions on additional resources for future editions by e-mailing me at pizanad@msue.msu.edu or call (517) 264-5304. *Wherever possible, ISBN and AISN numbers are included for use in ordering books and videos.*
