

# COMPREHENSIVE AFRICA CLIMATE CHANGE INITIATIVE (CACCI)

## CACCI IS A CALL TO ACTION TO:

### Accelerate NDC and NAP Implementation

Clarify Ambitions &  
Set Policy Agendas

Strengthen Human &  
Institutional Capacity

Strengthen  
Implementation

Track Progress, Reporting  
& Monitoring

## HOW WE WILL DO IT

**Proof of Approach**  
2-4 Pilot Countries in Southern,  
East, and West Africa

**Scale Up**  
10-15 Countries Across the  
African Continent

**Completed**  
25 Countries Across  
the African Continent

## WHAT WE WILL ACHIEVE

Transformational policies, strengthened human capacity, and improved institutional infrastructure that drives progress towards a net zero carbon Africa, with up to 500 million citizens more food secure and resilient to climate change
