Cloth Face Mask Information

In compliance with current State of Michigan Executive Orders, all MSU Employees are required to wear a non-medical cloth mask when entering enclosed public spaces. This applies to MSU facilities and non-MSU facilities. When traveling, you are required to have a mask in your possession and use it when in enclosed public spaces. Masks have been distributed to PIs, who will in turn distribute these masks those within their groups. If you are in need of your cloth face mask, please contact your PI directly.

Reimbursement Documentation Requirement Update

If you are submitting a reimbursement for a pesticide exam fee, the copy of the cancelled check or money order is required along with a clear copy of the temporary credential/receipt.

Temporary Exception Mobile Communications and Residential Internet Connectivity Policies

We recognize that some of you have had increased expenses associated with working remotely in order to continue normal operations. Those incremental cost increases should not be your responsibility. Therefore, if you have had to increase your internet speed or change your data plan on your cell phone, please contact **Debbie Williams** at williade@msu.edu with your intent to seek reimbursement.

KFS Project Code for Coronavirus Expenses

This message is for all persons involved in accounting transactions in the MSU financial system (including Fiscal Officers, Fiscal Officer Delegates, and Accounting Document Preparers).

Many units are incurring extraordinary expenses for things related to the Coronavirus. It is important that we keep track of these expenses in the event that there may be emergency funds available from the federal or state government in the future.

To facilitate this tracking, a new accounting strip Project Code has been created in the MSU financial system (KFS) to track expenses related to addressing the Coronavirus. The Project Code is COVID19. This new Project Code COVID19 should be used university-wide on the accounting string of all expenses related to the Coronavirus on any MSU account.

Please use the COVID19 Project Code for expense related to the Coronavirus so that MSU can accurately track and report on these costs. Use of the Project Code will not preclude units from reporting on other accounting string attributes (e.g., sub-account) as may be the routine.

If you have any questions about how to use this Project Code, please contact your MAU Budget Officer/Fiscal Officer.

Windows: There are some updates that should be appearing in Software Center to install this week. Below it explains what to expect, where to install the updates and what to do if you run into any problems. These updates might require a restart, be mindful and complete all steps when you are available.

Apple: The updates below are for the Apple operating system. But it is always a good idea to make sure your computer is up to date as well. Check to make sure you are on the latest version of the Apple operating system: Catalina 10.15.4. Also check to see that your other applications are fully updated such as, Microsoft Office, Symantec, Web browsers, Apple Store applications and other installed software.

If you have any questions or issues with updating on Windows or Apple please feel free to reach out to your PSM IT department. We will be happy to assist you further.

What is happening?

The Microsoft updates that were released between April 15th and May 12th will be available to all CampusAD MEMCM clients for manual installation beginning at **3:00 AM on Wednesday, May 20th**.

Clients in an “Immediate Updates Deployment” collection have already had the updates assigned to them for automatic installation.

If a user of a computer in an “Automatic Updates” collection does not install the new updates before **Friday, May 22nd at 7:00PM**, the updates will automatically install at that time, or the next time the computer is powered on.

What do you need to do?

If you have client computers in a “Manual Software Updates” collection, a user will need to log in to them and use the “Software Center” application to install the new updates.

If any issues with critical applications or systems are reported as a result of installing the latest updates, please email ITServices.ClientEngineering.Support@campusad.msu.edu with details.

Known Issues and Notes

Extended Security Updates (ESU) for Windows 7 and Server 2008 R2
Clients that have installed and activated the ESU product key must first install the 2020-02 or 2020-05 versions of the “Extended Security Updates (ESU) Licensing Preparation Package” update and reboot before they will be able to install other security updates for Windows. All Windows 7 clients are currently assigned a deployment that will install and activate the ESU product key. Windows Server 2008 R2 clients must be manually configured for ESU.

Why is this occurring?

Issues with the latest software updates were not reported during the testing period, so they are being released to all CampusAD MEMCM clients. Information regarding the deployment of updates via MEMCM can be found on the CampusAD MEMCM SharePoint site in the MEMCM Software Updates Deployment Overview document.

Human Resources

The **Families First Coronavirus Response Act** enacted by the Department of Labor goes into effect April 1, 2020. The act is meant to assist you during COVID-19 by providing additional leave options. These new options are available through Dec. 31, 2020. To view your employee rights under the act, please go to this website https://www.dol.gov/sites/dolgov/files/WHD/posters/FFCRA_Poster_WH1422_Non-Federal.pdf

New leave options include:

- Emergency Family and Medical Leave Act (EFMLA)
- Emergency Paid Sick Leave (EPSL)

EFMLA

The federal government has expanded this option to provide up to 12 weeks of partially paid coronavirus-related family leave. Eligible employees may take this leave if they are unable to work or telework due to the need to care for a minor child whose school or daycare is closed, or daycare is unavailable, due to COVID-19.

EPSL

This new act provides eligible employees up to 80 hours of fully or partially paid leave for the following reasons:

- you are subject to a government-ordered quarantine or isolation order related to COVID-19
- you have been advised by a health care provider to self-quarantine due to concerns related to COVID-19
- you are experiencing COVID-19 symptoms and is seeking medical diagnosis
- you are caring for an individual who is subject to a government-ordered quarantine or a health care provider's recommendation to self-quarantine
- you are caring for a child whose school or place of care has been closed due to COVID-19
- you are "experiencing any other substantially similar condition specified by the Secretary of Health and Human Services in consultation with the Secretary of the Treasury and the Secretary of Labor."

Effective Apr. 2, 2020, the EPSL will now replace the University's up to 80 hours of sick time against future sick accruals for those whose sick, vacation, and personal time was insufficient to cover their absence.

Who Qualifies and How to Apply

You can view more detailed information on who qualifies for these leave options, as well as information about what is covered, pay, etc. on the MSU HR website at <https://hr.msu.edu/time-off-leave/ffcra.html>. Please note that due to the nature of their jobs, MSU PD staff and MSU Health Team staff and providers are excluded from both the EFMLA and EPSL leave programs.

To apply for EFMLA, contact the MSU HR Leaves Team at HR.EPSL-EFMLA@hr.msu.edu.

To apply for EPSLA, complete and submit the form located at <https://hr.msu.edu/time-off-leave/documents/epsl-form.pdf> (Instructions are included on the form.)

During this fluid pandemic, please know that university leadership is continuing to evaluate how best to care for employees while also providing fair workplace options that follow federal and state guidelines. More information will be available in the coming weeks regarding any additional changes.

Travel

Good news was received relating to the hundreds of airline tickets canceled since early March. As you may be aware, any ticket that had a refundable airfare, was refunded. Additionally, the U.S. Department of Transportation advised airlines that when flights were canceled or delayed by greater than 90 minutes, airlines had to offer refunds.

Specifically addressing MSU Agency Card (direct billed) transactions, all three of Michigan State University's Preferred Travel Agencies have been working to identify applicable tickets and seeking refunds from the airlines. To date, Conlin Travel has identified 551 tickets totaling \$279,844.25 that have been refunded. As we continue to be in a state of travel suspension, there will be more.

What should you do if you have a credit/refund? In Concur, create an Expense Report (from the applicable Request) and allocate to the original account charged. If the Request is closed, please email concurhelp@msu.edu with the Request ID and we will be happy to reopen for you.

If you're not sure where to start, please visit the Reference Library on Travel@State to access Reconciling and Allocating MSU Agency Card Transactions.

Due to ongoing health and safety concerns as well as budgetary constraints, **the suspension of all university-sponsored travel is extended indefinitely.** This includes new travel as well as any currently booked trips.

No waivers are being given for international travel. A waiver is required for domestic business essential travel; it can only be granted by the provost, a vice president or the president by submitting the following form (<https://ctrl.msu.edu/download/travel/COVID-19TravelWaiver.pdf>) and must be approved before a trip begins. In-state travel is permitted to perform one's essential job duties, but also requires a waiver (<https://ctrl.msu.edu/download/travel/COVID-19TravelWaiver.pdf>). Non-essential in-state travel to state conferences or other gatherings should not occur.

If you have upcoming travel planned through June 30, it is strongly suggested that you cancel your reservations and seek refunds. You will also want to Cancel approved Requests in Concur. Please do so at your earliest convenience. For those who registered their international travel in the Global Travel Registry, we also request that you or your travel arranger cancel any international travel in the Global Travel Registry, or send an email to the Office of International Health and Safety (OIHS) at oihs@msu.edu requesting that your trip be deleted.

Action is required if you have any MSU Agency Card (billed airfare/rail) transactions: You or your travel arranger are requested to file an Expense Report so that this expense is charged to an MSU account. Reference guides are available in the Reference Library on the Travel@State website. If you need further assistance, please contact concurhelp@msu.edu.
