Develop diverse skills & industry connections

Job Description & Application Details

The goal of HNGC's turfgrass internship is to expose candidates to numerous facets of turfgrass management. From planning course setup to leading improvement projects, interpreting course data and working hand in hand with our equipment managers, your experience will be variable and tuned to your own interests and liking. Our team is passionate about growing individuals of all skillsets. The most successful candidates will be curious learners excited for a career in golf.

We are flexible in start and end dates to accommodate various schedules. Interns are provided local housing, meals while working and are scheduled on an every-other weekend rotation. In addition to experiences on site in Chaska, we also coordinate 'field trips' to local clubs and vendors. Past interns have been 'placed' into roles at other prominent clubs throughout the country as well as within our own team at Hazeltine.

How to Apply:
