RE: Streamsong Intern Program

Streamsong Golf Resort is a globally recognized “Bucket List Destination” for true golf enthusiasts, with our Streamsong Red, Streamsong Blue and Streamsong Black Golf Courses ranked #2-#3-#4 respectively in the State of Florida!

Streamsong is renowned for being the only facility that can host guests to experience the great golf course architectural expertise of Tom Doak, Gil Hanse/Jim Wagner and Bill Coore & Ben Crenshaw Designs. Soon to be joined by our newest Championship addition, currently under construction, designed by David McLay Kidd.

Those choosing to join our Team will be immersed in a fast paced and exhilarating daily operation with opportunities to gain experience to include:

### **Daily Operations**

Inclusion in the daily scheduling, oversight and management of the three Streamsong Championship Golf Courses.

- Mowing
- Set-up
- Tournament Prep
- Applications
- Detail and Presentations
- Course Mapping

### **Cultural Work**

This work is ongoing throughout the year, over all our playing surfaces- playability is our primary focus. Our guests expect “world class conditioning”, we are entrusted to achieve the goal and surpass their expectations- daily.

- Ninja tine aerification
- Compaction projects
- Verticut Mowing
- Grooming
- Topdressing

### **Equipment Care, Maintenance and Training**

- Sprayer calibration
- Equipment staging and Inspection
- QOC reviews
- Field use and guidance
- Mow Pattern inspection

### **The Chain**

- Participants will be given the opportunity to develop daily schedules and entrusted with the orchestration and set up of this Coore Crenshaw designed short course.

### **New Construction**

- We are currently under construction with our fifth Streamsong Championship Course, designed by David McLay Kidd.
- Opportunity to witness and participate in the process of growing in a Championship Golf Course and help ready it for opening day.

### **Housing**

- Shared apartment housing is available for those who are joining the Streamsong GCM Team which is located thirty minutes north of the resort in Lakeland. Housing is convenient to shopping, stores and restaurants

### **Compensation**

- Streamsong policy is to address the subject of compensation on an individual type basis. Skillsets, experience, education etc are all factored. It is important to also note that Streamsong is clear in our objectives and want only the best possible candidates, as such we are very much willing to offer the most competitive packages in the industry.

### **Streamsong Agronomy Department Mission Statement**

**“Elevation of the Agronomics and Turfgrass quality to equal standing as that of the already globally recognized Golf Course Architectural level that Streamsong is renowned.”**
