NEW COMPUTER AND EQUIPMENT

Submit the [New Computer Purchasing Form](#) which will create a support ticket with your device specifications allowing ANR IT to gather information and quotes on available devices to best match a computer to your needs. Once approved, the device can be ordered through your department.

The *New Computer Purchasing Form* can be found via the link above, as well as on this web page: <https://www.canr.msu.edu/support/resources/new-account>

OTHER HARDWARE

Please contact: ANRIT.Support@msu.edu to discuss additional hardware options.

MSU Systems Training Resources

The IT Help Desk is a break/fix organization and is not set up as a software training organization. Here are a few websites that can help with training for new and existing faculty:

MSU IT EDUCATIONAL TECHNOLOGY

Online classes for Adobe, many D2L tools, Zoom, and more via MSU Libraries.
