

Vegetable Garden Record

Be sure to write down the varieties that you grow so that you will know next year what varieties did best under your conditions. Record the varieties of vegetables you will consider for your exhibit at the fair.

Kind of vegetable	Variety	Date Planted	Number of Plants, Seeds, or Feet in a row	Date First Harvested	Did you use fertilizer? (If so, state type used)	Average yield per plant or row

How many different vegetables did you grow?

How large was your garden? _____ (sq. ft.) If a container garden, how many containers? _____

Did you have insect-pest problem? _____ What did you do to solve the problem?
