ELIGIBILITY

- Youth desiring to participate in the Washtenaw County 4-H Youth Show must have reached their 5th birthday by January 1st of the current year and not have exceeded the age of 19 by January 1st of the current year.
 - 4-H'ers with disabilities may continue as 4-H'ers regardless of their upper age with special permission from their county 4-H staff. Michigan law stipulates that a student with a disability is entitled to continue in a special education program of service until the end of the school year in which he or she reaches age 26.
 - Many classes have minimum age requirements and regulations. See specific classes and/or sections.
- All 4-H exhibits must be bona fide 4-H work completed since the last 4-H Youth Show and may have been judged for a ribbon award but not given a premium award at other 4-H events. 4-H Youth Show exhibits cannot be public school, private school, or home school projects, however, skills learned in these situations may be used to create a new project for the 4-H Youth Show. These projects may be created in school if done in a youth's personal time. No 4-H exhibits are allowed to be shown for premiums in the 4-H division at another county fair. Exhibitors may not exhibit the same still project for more than one year, unless required on the project class.
- Each exhibit can be entered in only one premium class, unless otherwise specified.
- Youth 5 – 7 years of age may show only in classes designated as Cloverbud or age 5 – 7.
- The 4-H Youth Show Exhibitor Code of Conduct will be followed.
- Accommodations for youth with special needs; Parents of youth with special needs (medical, physical and/or mental health issues) should notify specific superintendent(s) and staff prior to the Youth Show (at weigh-in or as soon as possible) if their child may require any accommodations or considerations in order to participate in the 4-H Youth Show. Parents will also be given the opportunity to indicate in writing at registration if their child may require any accommodations or considerations. This is not an effort to garner special consideration in judging, but rather to advise the superintendent and judge of any possible behaviors or circumstances that may need to be addressed. The superintendent and parents can work together to communicate information regarding specific youth participants to youth show judges prior to the show or arrange for alternatives for showmanship or specific classes if deemed necessary (i.e. educational poster, record book, etc.) to assure a positive 4-H experience for the youth.

JUDGING

- The exhibitor's age as of January 1 of this year will be used to determine entries in all classes which are based upon exhibitor's age.
- Interview style judging of exhibit Building A projects will take place the 1st Sunday of the event dates, July 21st, from 1:00 PM to 4:00 PM, judging will take place in Building B at designated stations. Signs will be posted.
- MSU Extension reserves the right to pro-rate premiums if expenditures based on premiums stated in this book exceed budget availability. MSU Extension also reserves the right to combine classes wherever entries are limited.
- Exhibitors may have only one (1) entry per class, unless otherwise specified.
- It is the responsibility of the exhibitor to be in the correct classes at the scheduled time.
- There will be individual judging for each exhibit. Judges decisions are final. Exhibitor must be present for judging of their exhibits unless other arrangements have been made with the Extension office.
- The Danish system of awarding premiums will be used, with "A", "B", & "C" ratings; an honor ribbon (purple) may be awarded. No premium is awarded for the purple ribbon. Only "A" rating exhibits are eligible to receive a purple honor ribbon.
- An exhibitor's placing may be marked down at the judge's discretion, cases where a parent/guarding/leader interferes with the judging process. If a parent etc. has a concern regarding a judge's decision, he/she should consult with the superintendent or event manager.

Exhibitors must be preregistered for their proper showmanship class. Exhibitors that fail to participate in showmanship class will not be permitted to show in any other classes for that species and will not participate in the auction.

 - e. Animals used for showmanship must also be exhibited in another regular class.
10. **Exhibition Showmanship** – This class provides youth ages 8 and up with an opportunity to show an animal that may not otherwise have an experience to own and care for an animal on a regular basis. Additionally, this class provides an opportunity for youth who have had the experience of raising an animal, but the animal falls ill or passes way before the 4-H Youth Show. Emphasis of the class will be on judge's feedback and youth experience, rather than placings. Youth must pre-register for this class by the 4-H Youth Show registration deadline and must have an agreement in place with the owner and exhibitor of the animal they intend to show prior to the 4-H Youth Show registration deadline. Write ins for this class will be accepted for properly registered youth signed up to show the same species, if their animal is unable to be exhibited at Youth Show after the registration deadline. Animals shown in this class must be properly registered animals of another properly registered exhibitor, being shown in another regular class at the Youth Show.

 - c. In order to encourage barn cleanliness, all clubs exhibiting will be judged (only properly registered clubs will receive premiums.)
14. Animals placing first or second in market classes must compete in the championship class for their species (market beef, feeders, lambs and swine), unless division rules specify otherwise.
15. In the event of animal housing problems at the show grounds, the final solution will be made, jointly, by the superintendents whose project areas are involved, in conjunction with MSU Extension office.

THE NATIONAL SHOW RING CODE OF ETHICS

It is the intent of the livestock show management to provide each and every exhibitor an atmosphere of competitive spirit that promotes an educational experience, as well as honesty and integrity. As an exhibitor, you have spent countless hours caring for your live animal. Through this project, you have gained knowledge in animal husbandry that includes selection, genetics, nutrition, health, fitting, showing, economics, and marketing. Hopefully, you are also developing life skills such as, communication, leadership, cooperation, discipline, responsibility and financial management. By participating in this competitive event, you are putting your hard work and effort on display before judges who will evaluate your livestock at this show. Your skills and knowledge are also on display and evaluated by the general public.

It should give each and every one of you the utmost satisfaction knowing you are entering this event with clear conscience that you did your best and will walk away with more knowledge than you had coming into this competition. Experience is a valuable teacher. It allows each of you as exhibitors to gain knowledge and enables you to improve each time you participate in any type of function, whether it is livestock or non-livestock related. The Livestock Show Management strives to provide each participant an opportunity for a positive educational experience and the potential to enjoy competitive excellence. Remember that the choices you make today will determine what you will have, be and do in the tomorrows of your life.

The management of this livestock show expects each exhibitor to perform their own work and present an honest animal for competition to the best of their ability. There is no place for individuals that incorporate deception, dishonesty, cheating or sacrifice the humane treatment of the animals for the cost of winning at this show. Cheating defeats the purpose of the livestock show, to teach animal husbandry and to improve the genetic pool. Those exhibitors who choose not to follow the rules and guidelines of the livestock show will not be allowed to participate.

Remember the creed of 4-H and FFA organizations, as well as “**The National Show Ring Code of Ethics**”, you are a representative of over one million young people who are privileged to participate in fairs and livestock shows throughout the United States, and each of you need to uphold the integrity of the youth programs you represent. Above all, be honest with yourself and fellow livestock exhibitors. Livestock Show Management expresses to each and every one of you best wishes during our show. We hope the experience you gain will be positive, educational, challenge you to continue to improve your skills in animal husbandry, provide you an understanding atmosphere of sportsmanship and help to promote honesty and integrity in everything you do. Sincerely, Washtenaw County 4-H Youth Show.

- a. **All Exhibitors must exhibit their project animal(s) in a Fitting and Showing Class OR the Horsemanship Basics class at the 4-H Youth Show to be eligible for any other equine class. If you are exhibiting more than one animal, you may not show both animals in the same class. Each project equine MUST show in showmanship or horsemanship basics. Halter classes are not considered Fitting and Showing/Horsemanship Basics, thus can not be used to meet the requirement.**
 - b. The Horsemanship Basic Class will only receive premium rating ribbons, and a specialized Horsemanship basic ribbon. There will be no Championship classes for the Horsemanship Basic Classes.
 - c. **Club Fitting and Showing** does not qualify the participants for their showmanship eligibility requirement for participation in the other equine classes.
 - d. **If an exhibitor misses his/her Fitting and Showing Class and or Horsemanship Basic Class, he/she must contact their club leader, who will then contact the Horse Board immediately.**
 - e. If both project equine are eligible for championships, only one project animal is allowed to show in championship classes and is the exhibitor's decision as to which animal goes to championship.
 - f. **Club Fitting and Showing**
 - i. Each club may enter one team of three members.
 - ii. Class #1165, must be entered on the Club Entry Form by your club Leader, ONLY.
51. Any class changes (due to errors or change in horses) must be made by 12 PM Saturday afternoon before the show, so that the Horse Show Office may make the necessary corrections and/or combine or split classes. Changes requested after 12 PM on Saturday will be at the discretion of the board and/or show committee with no guarantees.
 52. Scratches can only be made by the rider or the leader. Scratches **CANNOT** be undone.
